

John

I thought I ought to drop you a line to thank you for the work that you have done pruning and felling the Birch, Cherry and Lime trees for us. Your prompt and professional approach to the work, considering the awkward access and proximity to a busy main road, is commendable. The thinning of the other bushes and trees has made a huge difference to the light in the garden. We are very pleased with the result and the tidiness of the work and I would not hesitate to recommend your work to others.

Regards

Paul
